ABOUT ME

My name is Tommaso, I am twenty-eight years old, and I trained as a web developer. I am capable of creating web pages with graphical and interactive interfaces. I am looking for job opportunities to grow in the field, expanding my knowledge and growing as an individual.

LANGUAGES

Italiano	Mothertongue
Inglese	B2

WORK EXPERIENCES

2024 - NOW | ERBRAND SRL   **Front End Developer**

Developed the front-end of a data management system used by Technip in the logistics and industrial sector. Primarily utilized HTML, CSS, JavaScript, and ReactJS, communicating with the back-end structured in Java and SQL Server database. Additionally, used Git for version control, Docker, and Azure Data Studio.

2021 - 2023 | FREELANCER   **Copywriter**

Created a personal blog writing SEO-optimized articles focused on travel and personal development using WordPress. Subsequently, collaborated with various companies and online publications, producing content on topics such as technology, marketing, nutrition, and many others.

2018 - 2020 | FREELANCER   **Fotografo**

After studying graphic design and photography, I began working as a photographer at public and private events. For post-production, I have always used Photoshop, Illustrator, and Premiere for video projects.

EDUCATION AND TRAINING

2023 - 2025 | START2IMPACT UNIVERSITY
Master in Full Stack Development

2020 | ASSOCIAZIONI PRIVATE
Videomaker and Creative Writing Courses

2012 - 2017| ISTITUTO GIOVANNI VALLE
Photography and Graphic Diploma

INTERPERSONAL AND ORGANIZATIONAL SKILLS

I am a very organized, tidy, and punctual person. In the workplace, I always strive to maintain an active and calm atmosphere, listening carefully to requests and proposing my ideas. In the tasks assigned to me, I dedicate myself completely to ensure that the result is optimal. I value the balance between work and personal life.
